**Organizing Committee
General Chair**

Ajith Abraham, MIR Labs, USA
Preeti Bajaj

International Co-Chair

Amol Deshmukh

Program Chairs

Andre Carvalho, Brazil

Guoyin Wang, China

K.R.Anupama

Santosh Jaju

Tzung Pel Hong, Taiwan

Publication Chair

Kantilal Joshi

Plenary Session Chair

Iven Jose

Sanjay Dorle

Regular Session Chairs

C.K.Ramesha

Latesh Malik

Pramod Walke

Special Session Chair

Nilesh Singh Thakur

Finance Chair

Sanjay Wankhede

Local Arrangement Chairs

Bharat Deshpande

Milind Khanapurkar

Prasanna Padsodkar

Computer Assistance Chair

Ganesh Padole

Mangesh Bedekar

Urmila Shrawankar

Registration Chairs

Anita Agrawal

Nitin Updhyaya

Smita Nirkhi

3rd International Conference on Emerging Trends in Engineering & Technology

Organized by: **G. H. Raisoni College of Engineering, Nagpur, India**

Hosted by: **Birla Institute of Technology & Science, PILANI-K. K. Birla
Goa Campus. November 19-21, 2010**

Technically Co-Sponsored by

Systems, Man, and Cybernetics Society

IEEE Bombay Section, Region 10

SMC Chapter IEEE Bombay Section

Organized by

GHR Labs & Research Center GH Raisoni

College of Engineering, Nagpur, India

Supported by

SMCS Technical Committee on Soft Computing

SMCS Technical Committee on Human Centered Transportation System

SMCS Technical Committee on Knowledge Acquisition in Intelligent System

Hosted by

**Birla Institute of Technology & Science, PILANI- K. K. Birla Goa
Campus**

After the great success of ICETET 08 and ICETET 09, G. H. Raisoni College of Engineering, Nagpur, India is organizing The Third International Conference on Emerging Trend in Engineering & technology (ICETET 2010). The conference welcomes paper submissions from researchers, practitioners, academicians and students, and will cover myriad topics in Engineering, & Technology.

Conference Proceedings will be published by IEEE Computer Society, USA.

All accepted papers will appear in IEEE Computer Society online store, IEEE-Xplore, IEEE Computer Society (CSDL) digital libraries, IEE EVSPEC.

Special Issue:

Extended version of some of the selected Papers will be published in Special issues of Refereed International Journals.

Papers Submission : Papers should be submitted through

<http://www.easychair.org/conferences/?conf=ieeeticet10>

Tracks :

Computational Intelligence
Granular Computing
Intelligent Internet System
Knowledge Acquisition in Intelligent System
Machine learning
Pattern Recognition
Soft Computing
Brain machine Interface System
Human Centered Transportation System (Special Session)
Human computer Interaction
Education Technology and Training
Information Assurance & Intelligent
Multimedia-Mobile Communications
Micro Electro Mechanical System (Special Session)

Semantic Web & Web Services
Software Engineering System safety and Security Industrial Applications
Intelligent Power & Energy System
Intelligent Transportation System
Medical Mechatronics Robotics and Intelligent Sensing Intelligent Learning in Control System VLSI & SOC Wireless Communications Signal Processing & applications Embedded Systems & Applications Parallel & Distributed Computing
Environmental Protection Thermal Engineering

Important Dates

Contributed Paper Submission : 15 July 2010
Notification of Acceptance : 01 August 2010
Final Camera-ready Manuscript : 07 August 2010
Contributed Special Session Submission : 15 July 2010
