

REGISTRATION .

If I am presenting more than one paper at the same conference, do I need to pay for the 2nd paper?

Yes, you will be required to pay extra charge for your 2nd paper.

How do I transfer money?

You can transfer money only through Electronic Fund Transfer. Details can be downloaded from [Important downloads](#) link.

How do I complete registration?

You must fill the online author/ general registration form after transferring the money. Only when you transfer money and after that also register online your registration will be confirmed.

How much registration fee is payable if there are more than one authors?

You need to multiply the registration fee by number of authors interested to attend the conference.

What if I register for the paper but it is not possible for me to attend the conference?

You will not receive the certificate. However your paper will appear in conference proceedings only if after completion of registration process if you upload paper as per norms of IEEE.

Can I attend the conference even if I am not an author?

Yes, you are welcome. You can register online by paying the general registration fee.

Are there any scholarships or is there any financial support available to allow deserving students to attend the conference?

Unfortunately we have no scholarships. All those attending the conference must pay the appropriate fee.

I need an invitation letter to apply for a visa or to apply for funding. How do I get it?

- If you have had a paper accepted for the conference we can provide you with a letter confirming this once you have registered and made full payment.

PUBLICATION

How do I Submit my final camera ready paper?

You must complete your registration first. After registration, you will be provided a link to IEEE CPS where you can find detailed formatting instructions and you can upload your camera ready paper.

Will the Poster presentation entries be included in conference proceedings?

No, only regular and short paper entries will be included. However all poster presentation attendees will receive a certificate.

What is the fee for poster presentation?

It is same as that of regular paper presentation.

Will I get the hardcopy of conference proceedings?

No, the conference proceedings will be in the CD form only.

Can I send the Camera ready paper via e-mail or hard copy?

No, You must upload it through IEEE CPS only.

TUTORIAL SESSION:

How do I register for tutorial session?

You must register separately for tutorial session. In case you are an author who has already registered, you should pay additional fee for the tutorial session.

What if I have registered under general category (non author) and I wish to attend the tutorial session?

You must register separately for the tutorial session.
